

CASUALTY

Helix Underwriting Partners was incorporated in December 2018 as the first multi-line, independent Managing General Agent in Bermuda. Our Excess Casualty offering is secured by Somers Re, rated A- (Excellent) by AM Best.

Coverage Highlights

Up to \$25 million in capacity with a minimum attachment varying by industry class. We will contemplate coverage under the following triggers:

- Occurrence First Reported (both 004 & 005 forms)
- Claims-Made (including Aegis Follow Form)
- Occurrence

Our underwriting discipline offers a customized approach for our clients. We pride ourselves on our forward-looking, solution-oriented capabilities within tight operating time frames.

Industry Classes

Our underwriting appetite focuses primarily on Fortune 1000 companies including the following industry classes:

- | | | |
|-----------------------|------------------|------------------------------|
| • Chemical | • Construction | • Consumer Products |
| • Defense Contractors | • Energy | • Food Processing |
| • Hospitality | • Manufacturing | • Rail (Freight & Passenger) |
| • Real Estate | • Transportation | • Utilities |

Why Helix

- Experienced underwriting team
- Diversified product offering
- Ability to offer affirmative punitive damage cover
- Commitment to service standards
